# About Us

Armtech Projects, is a Black Owned Company founded on 1 July 2018, by its sole Director Rodger Mutengezi.

With his expertise in all spheres of maintenance, plumbing, electrical, painting and tiling, Rodger, from the onset steered Armtech to successfully provide excellent services to various clients in the Gauteng area. This included small and large scale handy man services, repair and alteration projects, ranging from residential, commercial and government sectors.

Armtech's efficient, well trained team of professionals and artisans, as well as its internal quality assurance processes, ensure that all projects meet customer requirements and specifications to perfection.

Besides being the founder of Armtech Projects, Rodger oversees the administrative part of the business, as well as on-site operations, to ensure that each project is executed according to client specifications, quality and safety standards, excellent workmanship and that deadlines are met. Rodger guarantees every client his personal attention, from the bidding and quoting processes, up to the perfect completion of each project.

## Our Vision

We strive towards becoming your main supplier by building up a group of satisfied and loyal customers throughout South Africa.

Through that we will be able to achieve good results, create space for new investments and expand our activities and services in a motivational working environment with great perspectives for the future.

## Our Mission

Our Services: are of high quality and mean an added value for our customers. Optimal and flexible services are of essential importance.

Our employees: we demand a lot of them. We have to be professional and competent at all times, as well as having the needed potential to help realize our goals as partners.

Continuing to educate ourselves: Everything around us moves at a rapid pace. In order to be able to follow the pace, training, educational and organizational adjustments are of the utmost importance and necessary. What we expect from everyone is that people forward this gained knowledge to colleagues.

# Services

## MAINTANENECE

Let the professionals take care of your home maintenance requirements.

We are one-stop maintenance, plumbing, electrical, and handyman services provider. We offer the best quality services, with quick turnaround times. We are honest and provide the best prices in Gauteng.

## PAINTING, DAMP PROOFING, AND WATERPROOFING

We are experts in roof repairs, dampproofing, and waterproofing of all roof types. This includes leaking roofs, ceiling repairs, seamless guttering, insulation, roof painting, painting of homes, skylights installations, and roof maintenance.

We also repair or replace broken tiles, perished waterproofing, cracked tiles, and rusted screws or bolts. Sun-damaged waterproofing can leave your roof vulnerable to water damage and leaks as well as open to nesting insects who love damp wood.

## PLUMBING SERVICES

We are geared to provide a first-class plumbing service by ensuring excellent customer service, reliability, and professionalism.

We Are Experts In:

Blocked Drains  
Burst Geysers  
Leak Detection – Commercial & Residential

## ELECTRICAL SERVICES

With so many different types of electricians in the field, it can be confusing to know which one you require. Luckily, Armtech Projects got you covered. Our friendly support team will analyze your problem and immediately send an electrician who is a specialist in the field with the electrical problem you're facing.

We Are Experts In:

Fault Finding  
New Electrical Installations  
Electrical Maintenance

## COMPLEX UPGRADE & MAINTENANCE

We do complex maintenance services, from dampproofing, painting, plumbing, and electrical services. Our team offers quality, reliable, safe, and trusted roofing, electrical, plumbing, and handyman services to clients in and around Gauteng.

One call can fix it all. Contact us today.
